The Way We Were . . .

August 25 marked the beginning of a new and different school year for those of us at Dudley High. With a new administration on the scene, we approached this year with apprehension. However, the new leaders laid aside our fears by improving our school without regimenting it. As no two school years are the same and no two administrations do things alike, Dudley did take on a new image. During this year of transition Dudley students, faculty and administration developed a spirit of togetherness that made the year a good one. In short, under the leadership of Mr. Crotts, Mr. Bradley and Mr. Nolan, our attitudes toward the school changed for the better.

Looking back on this year, we can derive a feeling of satisfaction. Not satisfaction for what we have done, but satisfaction because we have seen what we can do if we try. Our sports record, though far from perfect, was the best that we've had in a long while. We've had more winners than in previous years, and this has made everybody feel better about Dudley.

Attitudes were responsible for our making Dudley what it is, they represent our year, and that's what this yearbook is all about: The Way We Were . . . . . .

Reflections . . .

In the mad hustle and bustle at Dudley, some of us found time to sit back and meditate: The pause for a cigarette between classes. The quietude of the library. The interval between exam questions that stumped us. The silent suffering after a defeat. Or just the chance to be alone.

And what did we think of? Some of us pondered what we might do later on in life. Others, a particular guy or gal. Applications and references that were vital to college admission. The fun times we had on weekends. The many things that need to be done but you don't have time for. Plans for beach weekend.

It was during these times when we found time to stop and think that we began to know ourselves. Dudley has been the key to this self-evaluation, unlocking the doors to love and friendship and the freedom to develop as individuals.

Smiles to remember . . .

The smiles we left behind will be remembered long after their wearers are gone. The smiles were usually contagious as they spread over the campus. Some of them were smiles of happiness or contentment or satisfaction at having done a job well. Some simply said, "Hello." Others were more than smiles. They were grins. The "cat that ate the mouse" grin. Or the modest grin that results from a compliment. Whatever the message, the smiles were expressions of individuals who were able to express their innermost feelings without saying a word.

Dedicated to . . .

The 1977 Panther Staff is pleased to dedicate this yearbook to a person who has spread her special qualities to many students at Dudley. Through her inherent contributions, she has made herself into a "mother image" in the eyes of many. She is one who is willing to dedicate much, yet seeks no reward except the knowledge that a part of herself has been given for the happiness of others.

This person's internal beauty has flowered in many ways. She was responsible for the continuance of the Panther's Claw for over three years. She taught A.P. English for three years in addition, to her other English classes. Futhermore, she has been advisor to The Panther for four years; without her it would not exist as you see it today.

We, The Panther Staff, are very proud to have the opportunity to dedicate the 1977 PANTHER to Mrs. Frances Johnson.

Remember . . .

Looking back on 1976-77, we can say that we had a good year at Dudley. Maybe not the best ever, but certainly not the worst. No year is without its trials and concerns. However, it is in the good years that we overcome troubles; they are the successful years. Certainly, 1976-77 could be termed successful.

There is no single thing about this year that we can capture in words; pictures do much more than words. As you leave Dudley behind and your life changes, remember this short moment of your life.

Dudley wins Little Four

The Little Four, or First Annual High School Holiday Basketball Tournament, marked a high point in Dudley's basketball season. Sponsored by the Greensboro Sports Council, the Little Four's purpose was to provide an even greater spectrum of enriching activity for all Greensboro high school students.

Dudley first defeated Smith 48-47. Low-favored against Grimsley, the Panthers emerged victorious over the Whirlies by a 77-53 margin. Chuck Diachenko was voted the tournament's most valuable player. Winning the Little Four Tournament sparked Dudley on to a very successful season.

Sherri Burris wins Miss Yearbook Title

For the third consecutive year the Spanish Club has sponsored the winner of the Miss Yearbook Contest. Sherri Burris won the title this year by collecting over four hundred fifty dollars, topping Debbie Mitchell and Benita Mangum, who collected more than two hundred dollars each.

Sherri has been involved in many clubs and activities at Dudley. Besides being in the Spanish Club, she is also a very active member of the Tennis Team. She is also a member of the Anchor Club and has been a member of the Drama Club. Academically, she has pursued a college-preparatory curriculum in preparation to attend the University of North Carolina at Greensboro, where she plans to major in piano.

Morehead Nominees

The Morehead Scholarship was established by John Motley Morehead. It awards to select students full scholarships based on evidence of leadership, interest in schoolmates, scholastic achievements, extra-curricular activities and physical vigor as shown by participation in competitive sports. Nominees are selected on a regional basis with all expenses paid while at Chapel Hill.

Governors' School

The Governors' School at Salem College in Winston-Salem is a place of intellectual training. Many outstanding students are selected each spring to attend a six-week seminar during the summer. These students are selected for some specialized subject, which they study in depth at the school. They also have an opportunity to study psychology in order to better understand what makes them special. In 1976 Kim Curry, Inga Brandon and Kevin Killinger attended Governors' School. Kim Curry studied mathematics; Inga Brandon, natural science; and Kevin Killinger, drama.

Girls' State

Near the end of each school year two girls from each school are selected to participate in Girls State, which is sponsored by the American Legion Auxillary. It allows girls from across the state to get together and learn about local government by forming cities and electing officials and writing charters. From there they divide into the two parties, Nationalists and Federalists. Each party nominates someone for president, vice-president, secretary, treasure and attorney general and writes party platforms. The candidates then campaign for office and an election is held. After this the Senate and House get together and vote on their laws. While there, the girls get a chance to hear the Governor, Attorney General and Secretary of Treasury speak, as well as other distinguished persons. This week spent on UNCG's campus enables girls to learn a great deal about government.

High IQ

The High I.Q. Bowl is sponsored annually by the Greensboro Youth Council. Each year the teams try to demonstrate their academic Achievements. Mrs. Carol Medlin and Mr. Don Bohlen coached the Dudley team through many strenuous hours of drilling. This year's members were Inga Brandon, Ray Criscoe, Kenneth Greeson, Sherry Hutchinson, and Greg James. They placed eleventh out of a group of forty.

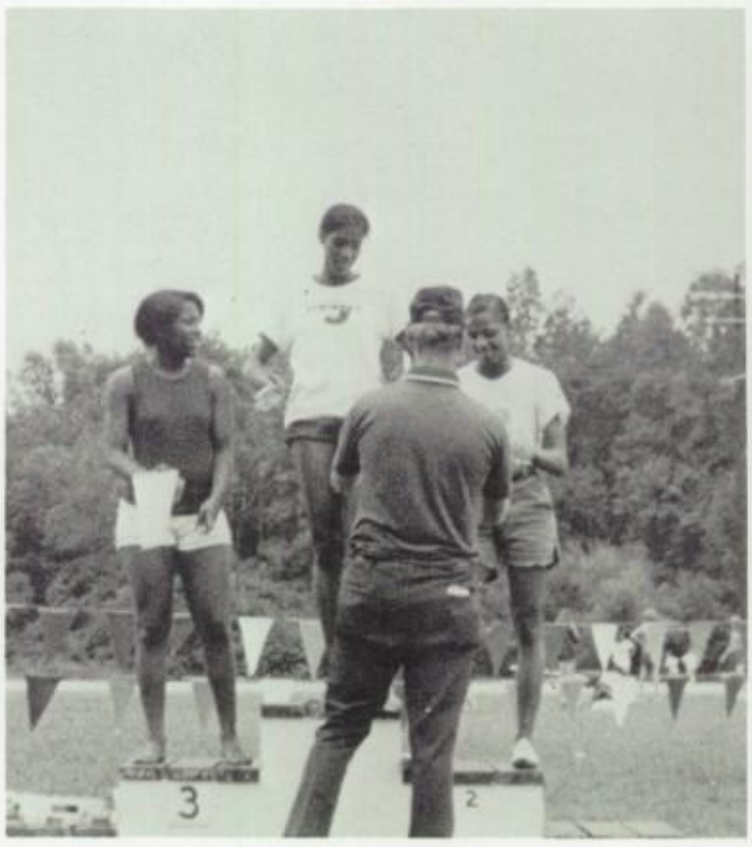
North Carolina Junior Olympics

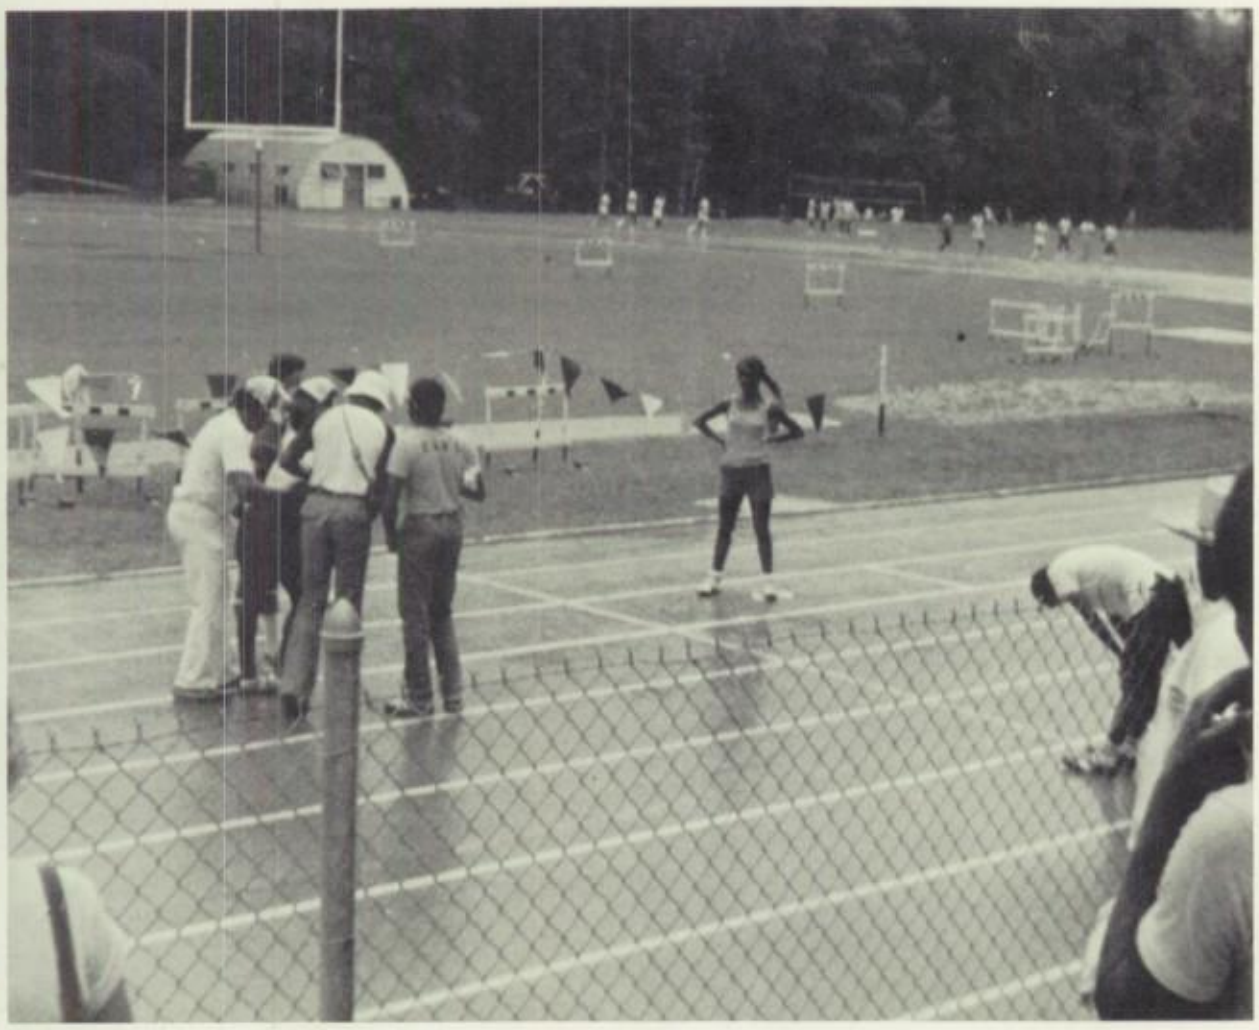
The Amateur Athletic Union sponsored the North Carolina Junior Olympics in track and field. Four girls from Dudley represented the Panthers in four track meets. The meets were held in various parts of the state, Winston-Salem, Charlotte, and Raleigh.

The team from Dudley consisted of Kat Dickerson, Teresa Milliken, Patty Stewart and Delana Stinson. Each girl won a total of seven ribbons for her efforts in this event.

The state finals in Raleigh pitted the winners from the East against the winners of the West. Delana Stinson won a gold medal in the 100-meter low hurdles. Kat Dickerson won a silver medal in the 100-yard dash and a bronze medal in the 220-yard dash.

On the far right, Dr. Leroy Walker, the 1976 Olympic track coach and coach Morrison are shown with Delana Stinson and Kat Dickerson. Dr. Walker has just presented Delana and Kat their medals.





Enthusiastic clubs participate

in GYC Flea Market

Each year the Greensboro Youth Council sponsors the Halloween Flea Market, which is held at Friendly Shopping Center. The Anchor and French Clubs, FHA, FSA and the Senior Steering Committee from Dudley participated in this year's flea market.

Everything from baked goods to second-hand clothing was sold to help raise money for the various clubs. The profit that was made helped the clubs to do a variety of other projects during the 1976-1977 school year.

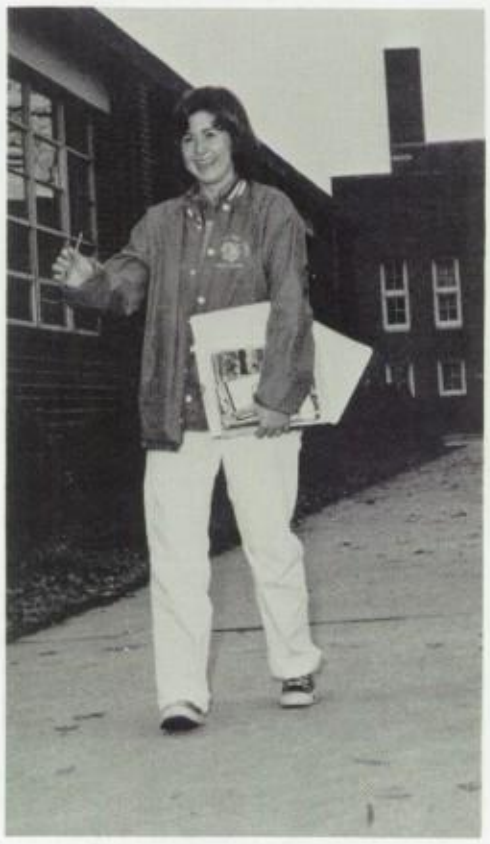
Outstanding Seniors

. . . Involved
. . . Devoted
. . . Enthusiastic
. . . Responsible

In a conversation of Dudley athletics, the name Cindy Adcock must always pop up. Her accomplishments would be amazing even if limited to a one-sport career, but Cindy's three-sport status is unbelievable. All-State honors in three sports give Cindy the distinction of being one of Dudley's finest athletes ever.

The responsibilities of the president of the student body are many and varied. Cintonya Allison, the 1976-77 president, fulfills these roles with unique qualities of leadership and enthusiasm. Also a three-sport star, Cintonya richly deserves the praise and admiration of her fellow classmates.



School spirit personified is a picture of Donna Andrews. The 1976-77 Miss School Spirit works hard and long in projecting the image of Dudley High as #1 among Greensboro schools. No facet of school life escapes her attention, and her efforts show great results as Dudley strives for its #1 position.

An outstanding baseball player, John Barbour is also an exceptional student. Whether in the classroom or on the ball field, his presence has been described as an enjoyable experience by all. John's most outstanding attribute is his obvious positive attitude toward Dudley and life itself.

A self-motivated student, Inga Brandon excels in all areas of academics. Inga's enthusiasm in school activities as well as the classroom was instrumental in her Morehead Nomination and her participation in Governor's School. Pride in herself and her school have enabled Inga to reach the top of her class.

Making friends is an art that Lynnie Chandler has mastered. Her pleasant smile and cheerful greetings often brighten the halls of Dudley. Lynnie's excellance in the classroom is only a reflection of her self pride, and her loyalty to Dudley is exemplified by her enthusiastic participation as a cheerleader and a member of the Dudley Dance Ensemble.

Enthusiasm and leadership are two of the many qualities which rank Kim Curry at the top of her class. Among other honors, Kim is a Morehead nominee and former student at the Governor's School in Winston-Salem. Her creative ability and infectious positive attitude earned her her position as editor of the school newspaper her senior year.

A smile on her face and a bundle of energy are accurate descriptions of Debbie Ehling. A member of the National Honor Society, Debbie is also the 1976-77 Dudley Panther, a role in which she continuously demonstrates the need for more school spirit and student participation. Debbie also participated in Girls' State in 1976.

An eagerness to excel in academics and school activities is the secret of success for Pam Graham. Pam's achievements include such varied activities as being a cheerleader, dancing in Miss Dye's Dance Group, and being a member of National Honor Society. Pam was also a Dudley representative at Girls' State in 1976.

Whether it's in the classroom or on the athletic field, Sherry Hutchinson is striving for excellance. Hard work and a steady effort have earned Sherry many special honors. A Morehead nominee and a member of NHS, Sherry is also a three-sport letter winner.

. . . Energetic
. . . Purposeful
. . . Conscientious
. . . Spirited

A natural leader, Darryl McDonald is the perfect choice to serve as Dudley's Marching Drum Major. His enthusiasm in that role and his sincere interest in Dudley High have won him many friends and the distinction of being named Mr. Dudley 1976 by his classmates and friends.

The credits and accomplishments of Rinda Phillips are many and varied. One of the most conscientious students at Dudley, Rinda is always willing to give a helping hand to those in need. A consistent honor student, Rinda's dedication to Dudley can be seen in her energetic role as editor of the 1977 yearbook.

A positive approach toward school and life makes Rosalind Robinson a success. Rosalind's enthusiastic participation in cheerleading and dance blends well with her academic achievements. Her genuine concern for all is witnessed in her involvement in student council, student affairs, and steering committee membership.

Judy Schoolcraft is bubbling with enthusiasm and is truly dedicated to Dudley High. Judy's accomplishments both in the clasroom and school activities reflect her infectious positive attitude. A member of NHS, Judy is also a cheerleader, a member of the Dance Ensemble, and the Dreamspinners.

In a world marked by success or failure, Bonita Sherrod is headed for excellance. A gifted student, Bonita is constantly working for higher goals, and most often she achieves them. Her pleasant personality and friendly attitude toward all make her a popular figure among students and teachers alike. An honor student, Bonita is active in many campus organizations.

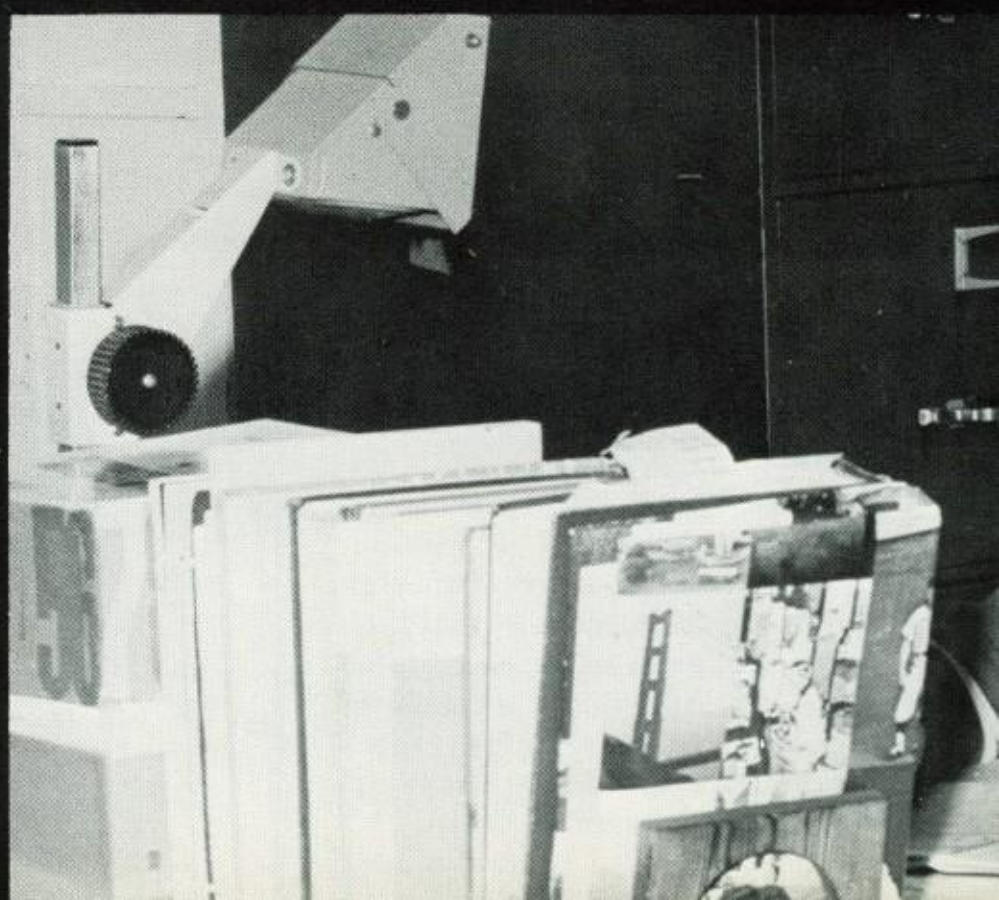
Using girls' track as her access to travel, Patty Stewart has truly been an outstanding representative of Dudley High. A third place finish in the 880-yard run at the National Youth Track Meet in Texas in the summer of 1976 is only one of Patty's many accomplishments. Her consistent effort in the classroom as well as in school activities has earned for Patty the respect and admiration of all at Dudley.

If time for service and dedication to Dudley were rewarded with cash, June Taylor would be a very wealthy person. A fine student, June is blessed with the ability to handle many important positions and cope admirably with all of them. Among her accomplishments include being vice-president of the Senior Class and president of Junior Jaycettes.

As vice-president of the student body, Regina Ward handles her position with an air of confidence. Regina is a consistent honor roll student whose talents in the field of music have earned her the recognition of her classmates and teachers.

An ever-present smile and deep devotion to Dudley High are the obvious qualities of Judy Westmoreland. Her roles as cheerleader and a member of the Dudley Dance Ensemble are taken seriously and with pride. Judy's participation in student council and steering committee leave little time for anything other than activities at Dudley.

Totally dedicated to Dudley High, Sandra Wingler has received small recognition for her outstanding achievements. In more of a supporting role, Sandra has been the driving force behind the success of Dudley's girls' athletic program. Sandra is also a fine student whose enthusiasm carries over into all aspects of school life. She was named Best-All-Around-Athlete at Dudley in 1976.



WHO WE WERE

Mr. Crotts is named new principal

On August 25, 1976, the doors of Dudley Senior High School opened under a new administration. Earl Crotts, the new principal who succeeded Franklin Brown, greeted students and faculty with an air of determination, that being to make Dudley the number one senior high school in the city. His first year as a principal has been a good one, and with the full co-operation of an enthusiastic staff and student body, he will, no doubt, make Dudley #1.

Mr. Chester Bradley is pictured on the left, and Mr. Francis Nolan is on the right. A veteran of Dudley, Mr. Bradley takes care of student affairs while Mr. Nolan, new to the job, works with curriculum.

These men take on many responsibilities, which helps to lighten Mr. Crotts' load. Together, they make things run smoothly at Dudley.

Senior Class Blues

It's our last year of living for the"blue and the gold".
It seems we managed too quickly to grow so old.
It's like the last game of the season and we're destined to lose.
But it's just a bad, bad case of the Senior Class Blues.

As seniors, we're privileged, and deservingly so.
Because we have so many questions, whose answers we don't even know.
Where am I Going? Which college should I choose&
These are some of the symptoms of the Senior Class Blues.

It's our last year of walking down those crowded halls,
Or looking out from behind those massive brick walls.
So if your a senior to be, don't lay back and snooze;
Then wake up with a bad, bad case of the Senior Class Blues.

Panthers become Conference contenders

The 1976-77 school year started out on a bright note with the gridiron Panthers surpassing all expectations. Under the guidance of Conference Coach of the year, Jonathan, McKee, the Panthers managed a more than respectable 5-5 record.

All Conference selection Jeff Davis supplied the leadership needed to guide the young Panthers from the depths of the conference cellar to a position as a solid conference contender. Davis, one of the Panther captains, let a defense unit which yielded few points. James Parker, Lonnie Phifer, Felix Enoch and tri-captain Kenny Thompson all had outstanding senior seasons and will be sorely missed next year. Bright spots returning for the Panther defense along with Davis include Chip Richmond and Charles Summers.

The offensive unit was led by junior quarterback Desmond Gatson. Gatson, a natural passer, electrified the crowds throughout the season with his aerial displays. Gatson's favorite targets were Kenny Thompson and Tony McKee with the latter also handling the punting duties. David 'Shelton and Braxton Williams, two bruising runners, had a fine season and offer Dudley an outstanding combination for next year.

All in all, the football season was highly successful. It marked the beginning of an outstanding year here at Dudley and left hopes of more success in years to come.

Coach McKee discusses defensive strategy with Captain Jeff Davis.

Soccer

The Dudley Soccer Team, which started the season with a large number of inexperienced players, improved their play as the season progressed. Although the season record was disappointing, valuable experience was gained and new players were given a chance to learn basic fundamentals. With only three seniors on the team, Dudley should have a good nucleus of returning players to build around next year. A few of the outstanding players were Kevin Gariglio, Keith Latta, Jimmy Velano, Phil McCluskey, Brant Hylton and Kelly Saunders, along with several others. Special note should be made of team spirit among all players who played this year and their never-say-die attitude which was exhibited during the entire season.

Soccer Team: Front row: Jim Villano, Keith Ellis, Van Thorpe, Jim Snyder, Kelly Saunders, Phil McClusky. Second row: Kevin Gariglio, Chris Culler, Rusty Burris, Keith Latta, Brant Hylton, Keith Saunders. Third row: Kelvin Harris, Gary Hyde, Ralph Wicker, Cedric Jarman, Marty Pahl, Mark Bean, Buddy Mitchell.

Lady Panthers have successful season

Team members are: Co-captains Kat Dickerson and Cindy Adcock. Standing: (L to R) Viveca Wingfield, Rita Hall, Kim Holmes, Sandra Wingler, Terri Heath, Jodi Priester, Jackie Davis, Kathy Green and Lynn Milton.

The girls' varsity basketball team of 1976-77 experienced the most successful season the Panthers have had in recent years. Led by captains Cindy Adcock and Kat Dickerson, the team showed continued improvement throughout the season and boasted well over a fifty point per game scoring average. The scoring of Adcock, Dickerson, and senior Sandra Wingler combined with the defensive skills of juniors Terri Heath, Kim Holmes, and Kathy Smith enabled the team to defeat most of their opponents rather handily.

Coach Lentz and assistant Nancy Frank praised the team for their continued hard work, dedication to the game, and never-give-up attitudes.

Dudley wins toss over Grimsley.

The 1976-1977 boys' varsity basketball team had a good season this year. It was not totally successful, but it was the best in many years. Even the majority of the games lost were close. The future for the team is looking up.

Not only was the Little Four Tournament a success, but the regular season was thriving. Grimsley, ranked number one at the beginning of the season, was beaten thrice by the Panthers. The team is quickly making Dudley #1.

Dudley's 1976-77 Volleyball Team

STATE CHAMPIONS!

The volleyball team reached their long-range goal this season by posting a 19-1 win record and the North Carolina State Championship. Led by tri-captains Cintonya Allison, Sherry Hutchinson and Sandra Wingler, the Lady Panthers literally wiped out most of their opposition. Only Grimsley managed to blemish the record of our hard-hitting team. Cindy Adcock and Kat Dickerson smashed balls all over the court to wrap up the Championship series held in the Dudley gym on November 4.

The future looks bright for Dudley volleyball because Terri Heath and Kathy Smith, two key players on this year's team, will be returning to lead next year's squad.

Wrestling

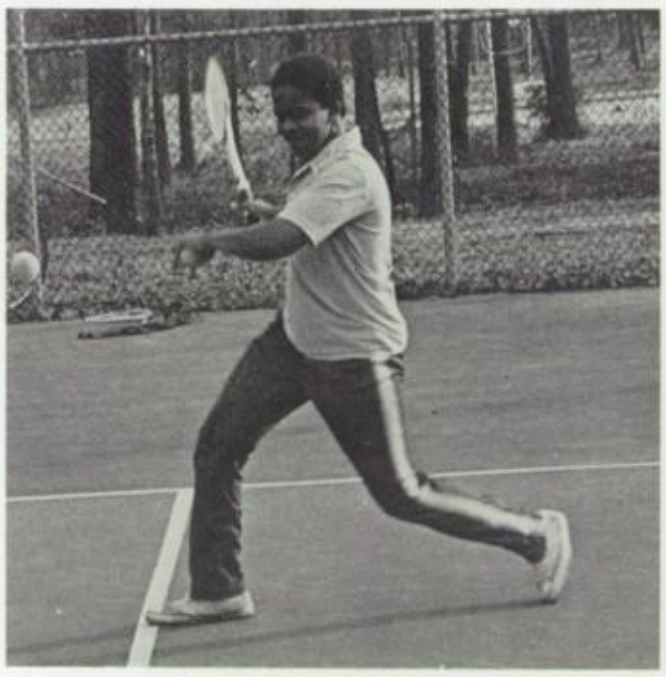
The Wrestling Team, coached by Mr. Boyers, was made up of young inexperienced players this year. They were few in number, but generally they produced good individual records. The best season records were produced by Mike King, Scott Darden and Jeff Gifford. These young wrestlers should build the nucleus for a good season next year.

Girls' Softball

Girls' softball team is composed of Donna Andrews, Cindy Adcock, Cintonya Allison, Sandy Frank, Kim Holmes, Sherry Hutchinson, Yvonne Straughan and Sandy Wingler. Coach is Mary Joe Lentz (top right).

Boys' Tennis

This year was a building year for the 1976-1977 boys' tennis team. The real task for the team was getting the sophomores ready to move into the starting positions. With the members that will be returning for the next two years, the program is expected to improve vastly. Mr. Bohlen is hopeful that the team will continue to pick up more talented sophomores as the years progress. The team members are Craig Bowers, Terry Brown, Steve Coleman, Craig Culbreth, Tony McRae, Keith Latta, Willie Locklear, Gary Huggins, Steve Moyer, Edsel Campbell, Ken Hamilton, Derrick Wright, and Mark Brown.



Girls' Tennis

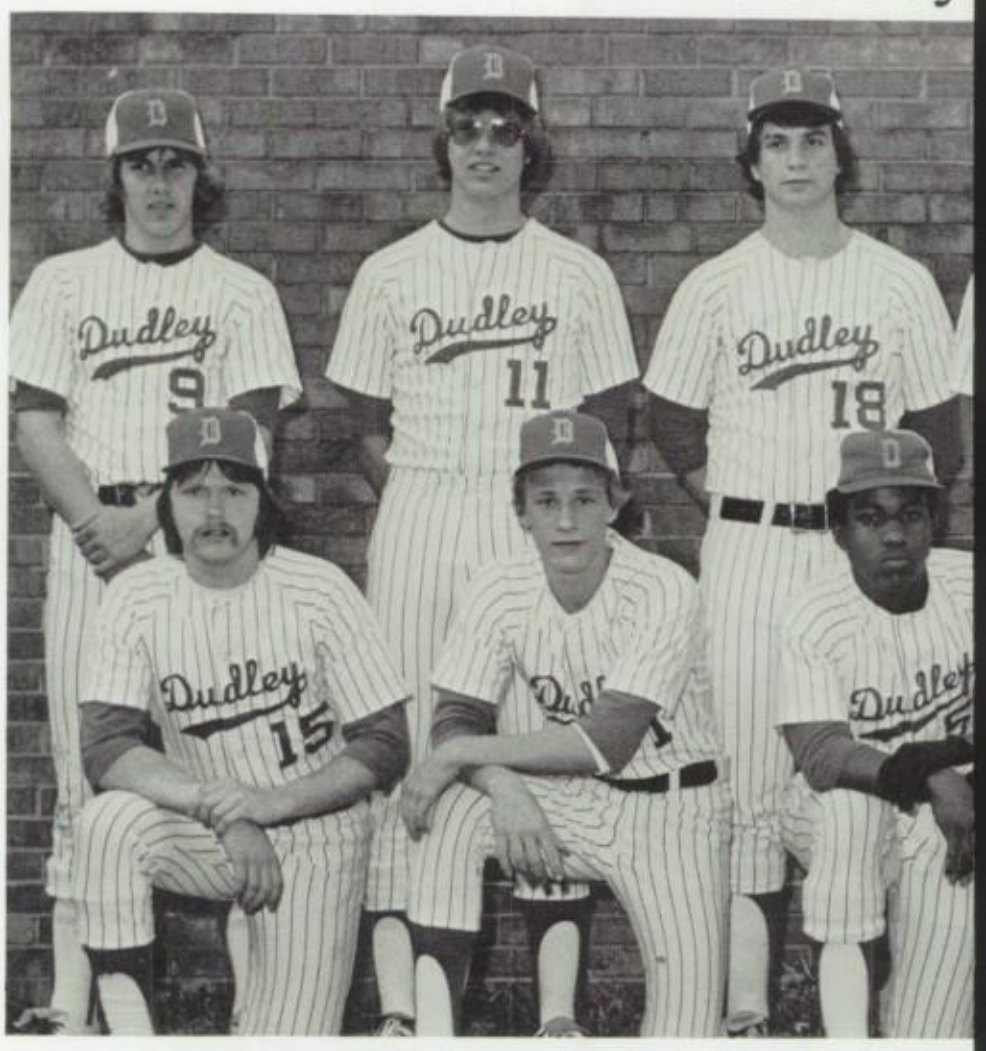
The 1976 girls' tennis team consisted of a good combination of sophomores, juniors and seniors. The girls were up against tough competition; yet, this year has proved to be the most successful one so far. Pictured to the left are Shelia Coleman demonstrating her forehand and Sherri Burris reaching for an overhead shot. Team members are Donna Andrews, Kelly Brown, Sherri Burris, Lynn Chandler, Kathy Coleman, Shelia Coleman, Cheryl Eldridge, Sandy Frank, Pam Hartman, Beverly Hughes, Colleen Mashburn, and Jodi Priester. This year's team was coached by Mr. Don Bohlen.

Varsity

The 1977 edition of the Dudley Baseball Team promised to be one of the top teams in the conference. Loaded with a proven trio of returning moundsmen and six other letterman, the prospects for a successful season appeared excellent.

Conference ERA leader Steve Harris, fireballer Pete Priester and Marvin Patterson provided coaches Lewis Robertson and Dave Callahan with the finest pitching staff in the area. It appeared that with solid defense and any kind of offense the victories would mount up rapidly.

John Barbour, Billy Burton and Kenny Thompson were expected to lead the Panther attack. All three were returning lettermen whose past experiences in the 4-A wars were expected to pay off handsomely this year, making 1977 "the year of the Panther."



The members of the baseball team are Marvin Patterson, pitcher; Barry Jenkins, centerfield; Darryl Avant, catcher; Billy Burton, short stop; Ken Kesler, right field; Johnny Turberville, second base; John Barbour, first base; David Wicker,

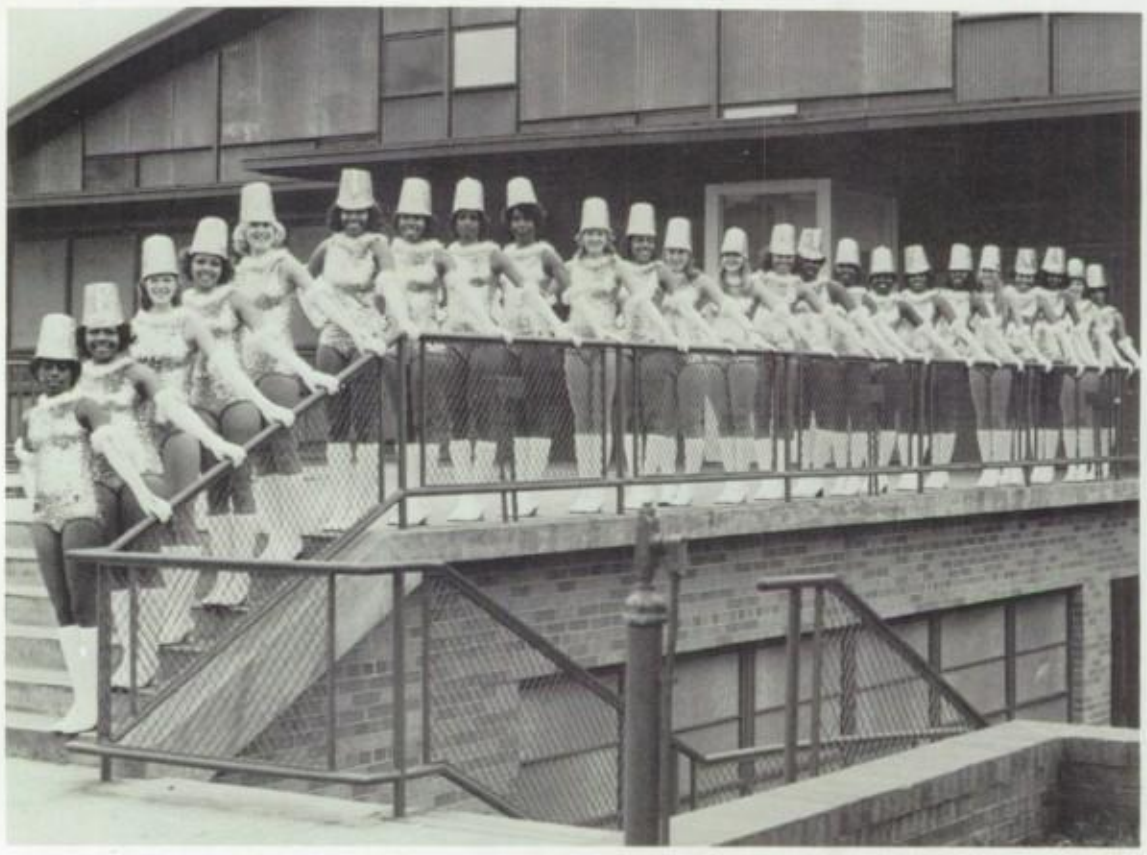
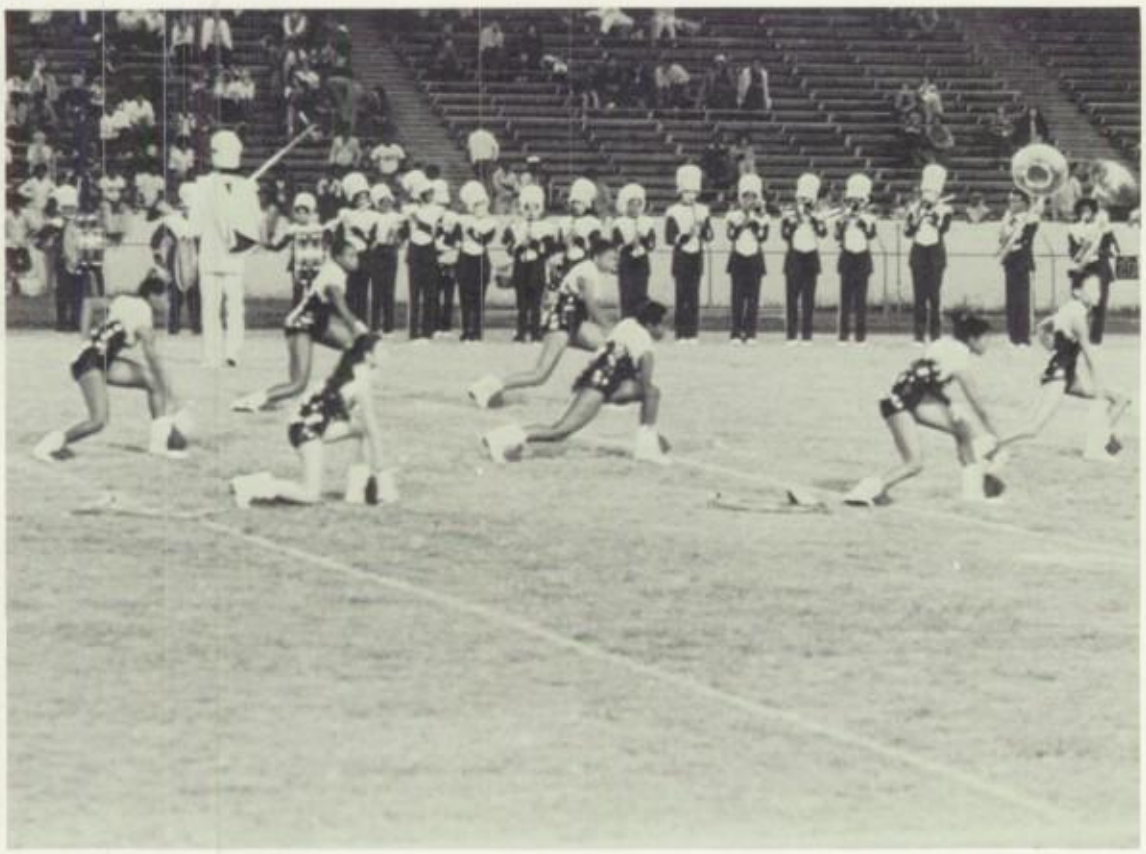
Pantherettes

The Pantherette squad is a group of high-spirited young ladies that perform at halftime during Dudley football games, in parades and in other band exhibitions. The Pantherettes perform precision marching and dancing routines, wholesome activities for its members. One must first qualify before becoming a Pantherette. Each girl must show consideration for others and must be reliable, resourceful and responsible in any situation. Many hours go into practicing the routines. It is a fun way for girls to show their school spirit.

They are supervised by Miss Georgene Dye. Co-captains are Sonja Boyd and Tanya Bonner.





Majorettes

The majorettes are a group of high-spirited, high-stepping girls. They show their many talents during football games and at other band appearances. They are hard working girls who put many hours into their shows. They are under the direction of Miss Georgene Dye.

Girls' Track

The Girls' Track Team this year consisted of tri-captains Terry Warren, Kat Dickerson and Patty Stewart. This year's conference track winners were Terry Warren for the Shot Put for 32.575 feet; Kat Dickerson ran the 100-yard dash in 11.02 seconds and a 220 yard dash in a record 25.09 seconds; Patty Stewart ran a 880-yard run in 2.37 minutes; Delana Stinson jumped 110 low hurdles in 15.7 minutes, placing fifth in the state in 60 low hurdles.

Girls' Track Team: First row: (l to r) Shirley Campbell, Beth Belk, Chery Eldridge, Chelita Neal, Deseree' Fodrell, Olympia LeGrand, Toya Evans, Benita Hailey. Spanish Club

The Spanish Club here at Dudley is one of the largest, most active clubs around. It has a membership of one hundred and is under the direction of Mrs. Meisner and Miss Clendenning. It appears that a club this large would be unable to unify and work collectively for the benefit of others, but the Spanish Club has proved this idea untrue.

Each year the club alots monthly funds to their adopted child, Jose Humberto Camposeco. They collectively had outstanding participation in the Roger Hickson Benefit, The International Dinner that was affiliated with Godspell, the Lung-a-thon project, and the annual Miss Yearbook contest.

They are also annual participants in the G.Y.C. Teenage Carnival. With such attitudes the club should continue to grow and prosper through involvement.

French Club

The purpose of the French Club is to enhance the knowledge of French customs and traditions and enjoy it by doing so as a group. The French Club also participates in youth activities in the school and city.

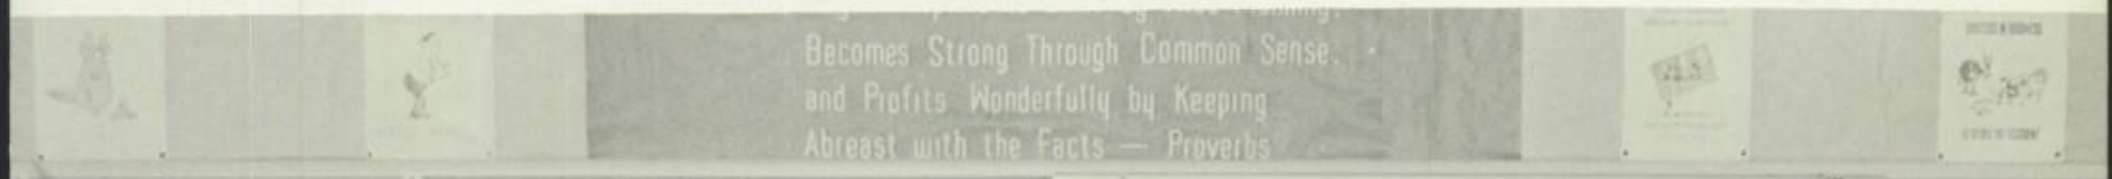
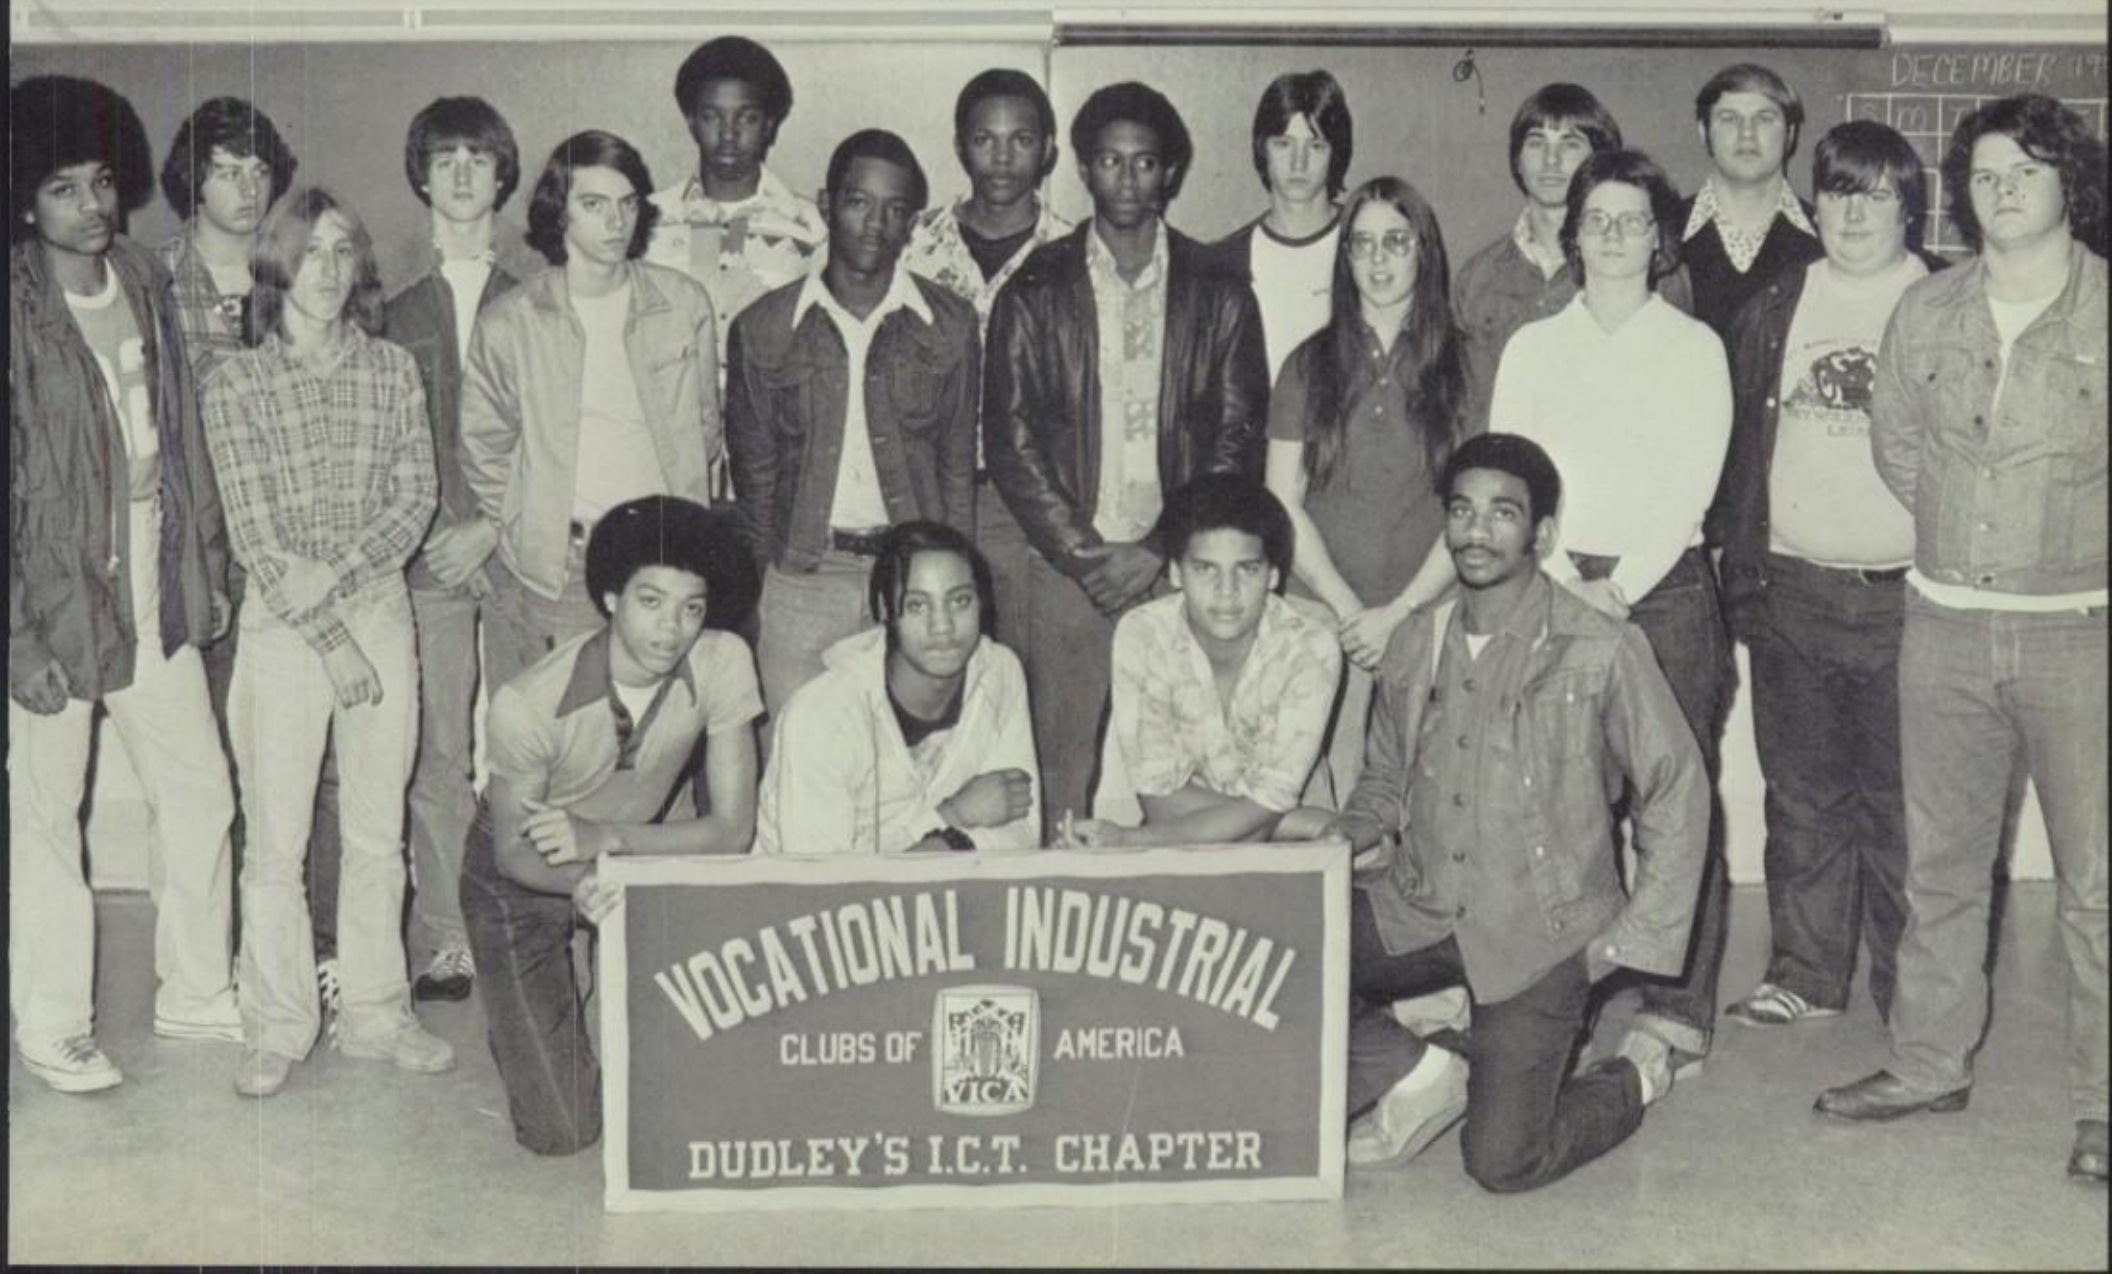
Vica

The Vocational Industrial Clubs of America offer Dudley vocational students a chance to make their skills and abilities known to the school and community. Making our community aware that Dudley students are good citizens, workers, and friends is our main goal.

On April 28-30 the club hosted the VICA State Convention at the Royal Villa, along with other city and county chapters. At the convention students competed in both leadership and skills contests. Winners were sent to Ohio for national competition.

The club's main work is promoting and preparing for its Convention.





Junior Jaycettes

The Dudley Junior Jaycettes is an organization composed of girls whose primary objective is to promote good community relations between the school and the community. The club members participated in the Haunted House project at Halloween, serve as hostesses in the Carolina Christmas Classic, help with the Empty Stocking Fund, and exert much of their energy to the GGO. All of these projects are sponsored by the Greensboro Jaycees. This year the club sold tickets for the Roger Hickson Fund.

The club, advised by Mrs. Surratt and sponsored by the Greensboro Jaycettes, was awarded the Project of the Year Award last year.

Panther's Claw

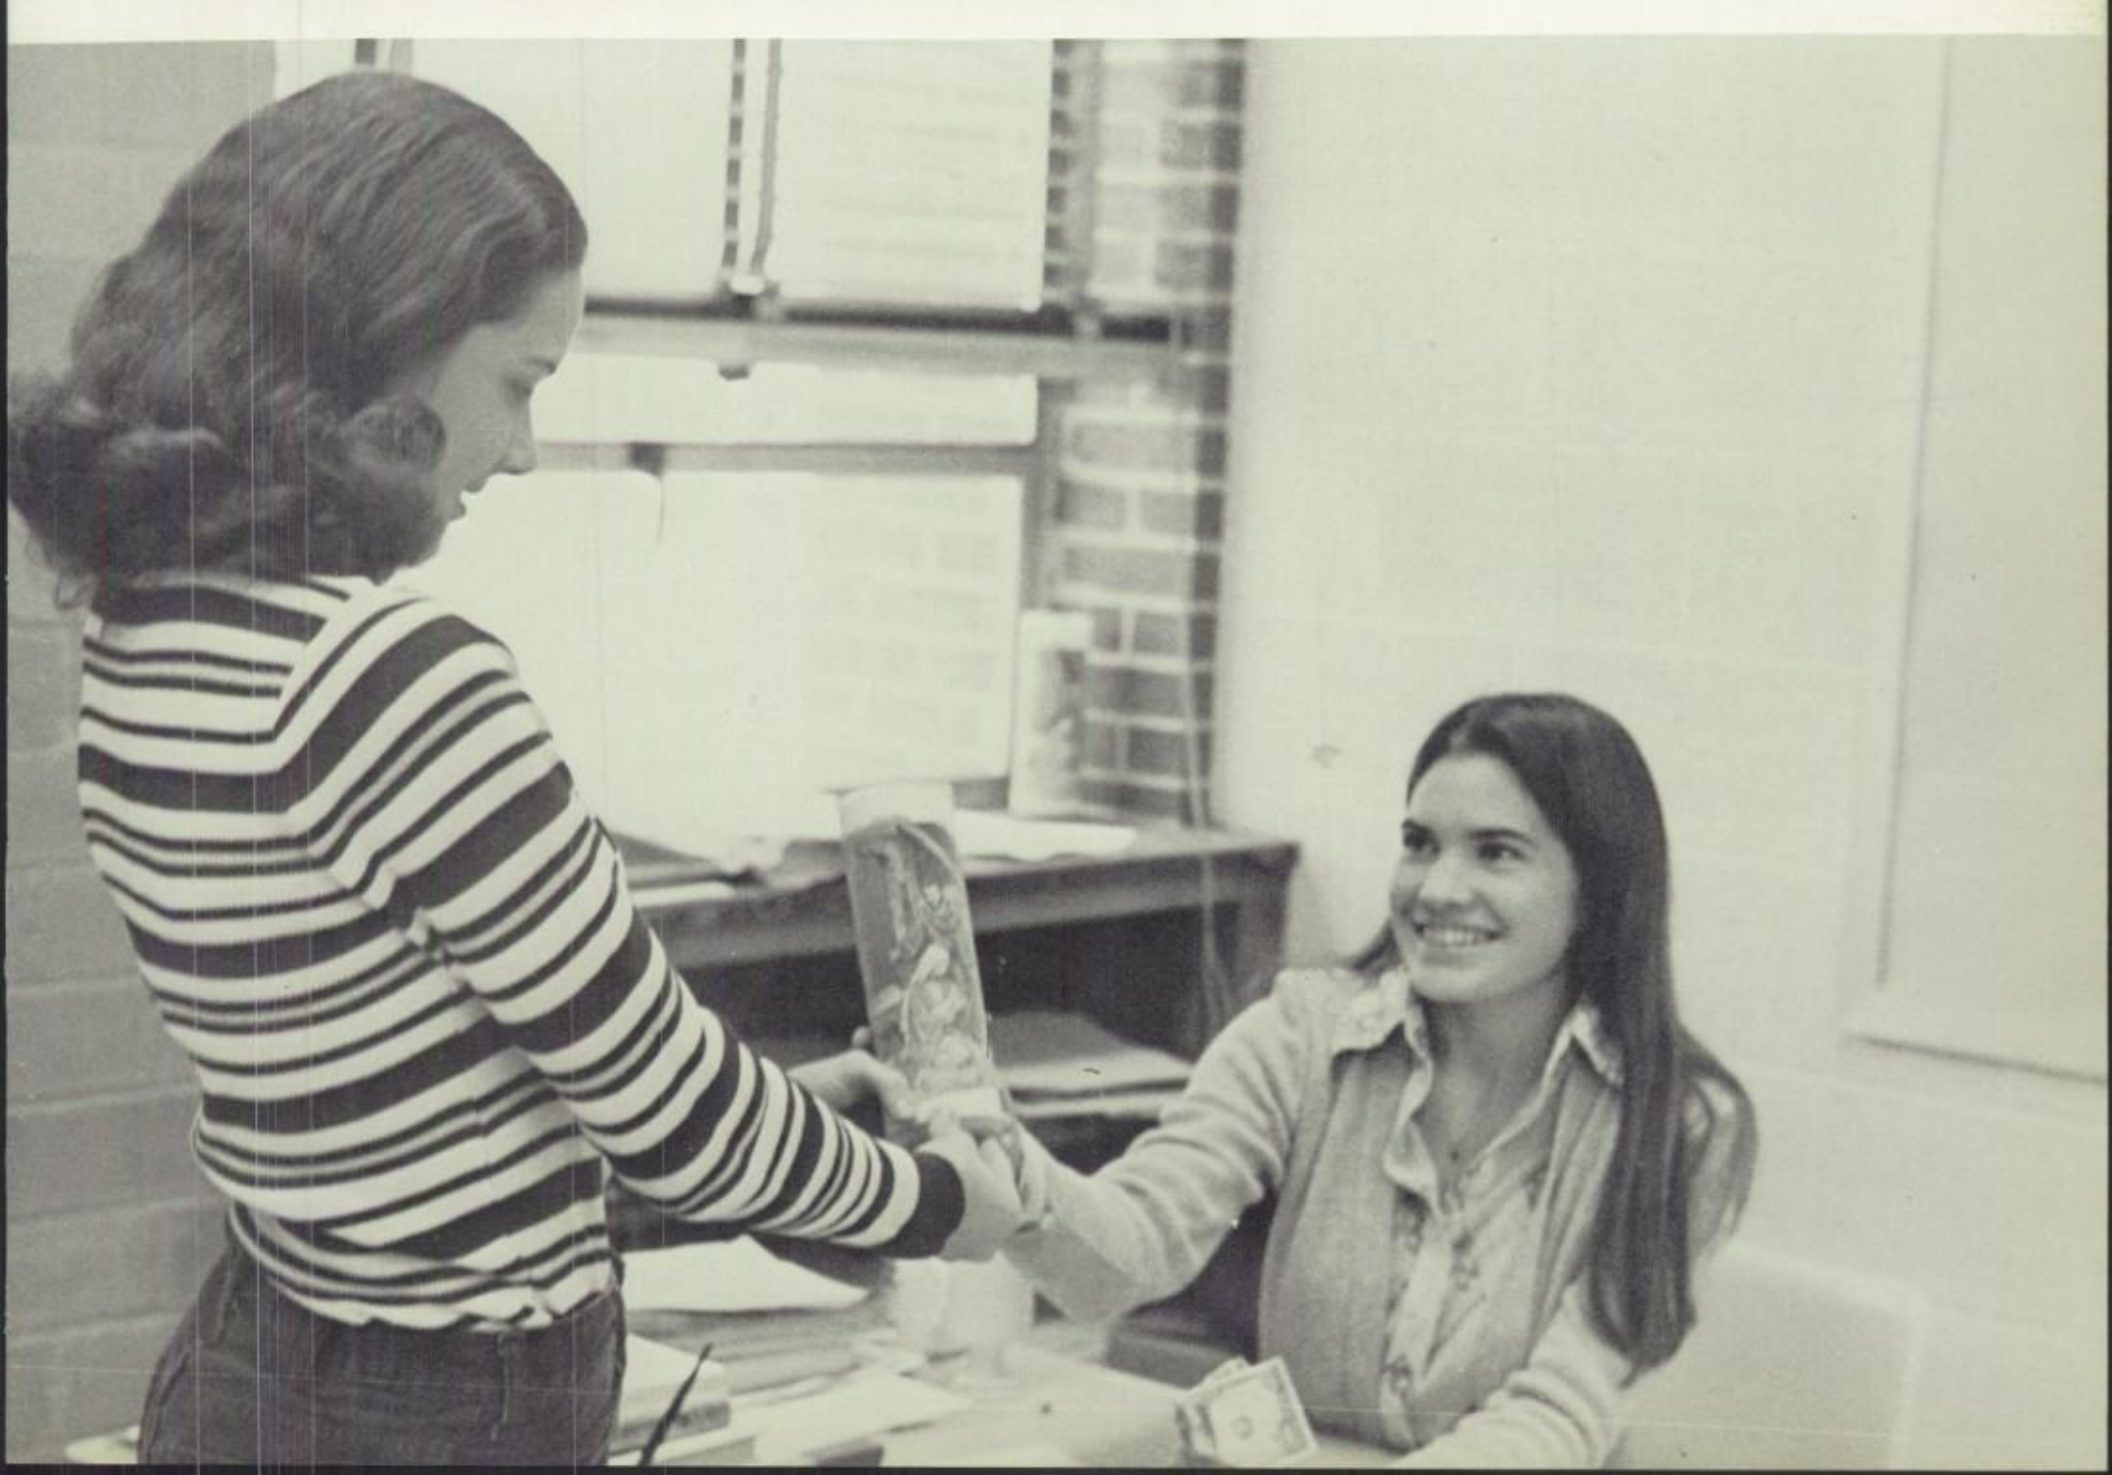
The Panthers Claw is the official newspaper of James B. Dudley High School. This year marked the forty-second year of publication, making the Claw one of the oldest student newspapers in North Carolina. The staff, under the direction of editors Melodye Lane and Kim Curry, devoted a great deal of effort to making this year's newspaper not only one of the oldest, but also one of the best student newspapers around.

This year marked the first time in several years that The Panthers Claw has published an eight-page tabloid. The hard work and extra time invested by the staff really paid off as each issue seemed to improve.

Much was said this year about making Dudley Number one. All of us feel that our student newspaper played a major part in this effort.

Money was a major consideration for The Panthers Claw staff this year. Student support was almost nonexistent and advertisers were hard to find. To solve the problem the business department of the Claw staff, led by Robyn Tuttle and Mike Covey, undertook a Christmas candle sale. The staff had a lot of fun and made a fair profit on their sale. The sale ended in December with the staff's annual Christmas party. Plans are to hold another candle sale next Christmas.

The Panthers Claw Staff members are: Business Manager, Mike Covey; Advertising Manager, Robyn Tuttle; General Staff, Tony Coghill, Susan Medders, Jane Mikkelson, Tammy Robertson, Marty Sexton, Kay Sheppard, and Annette Wright.



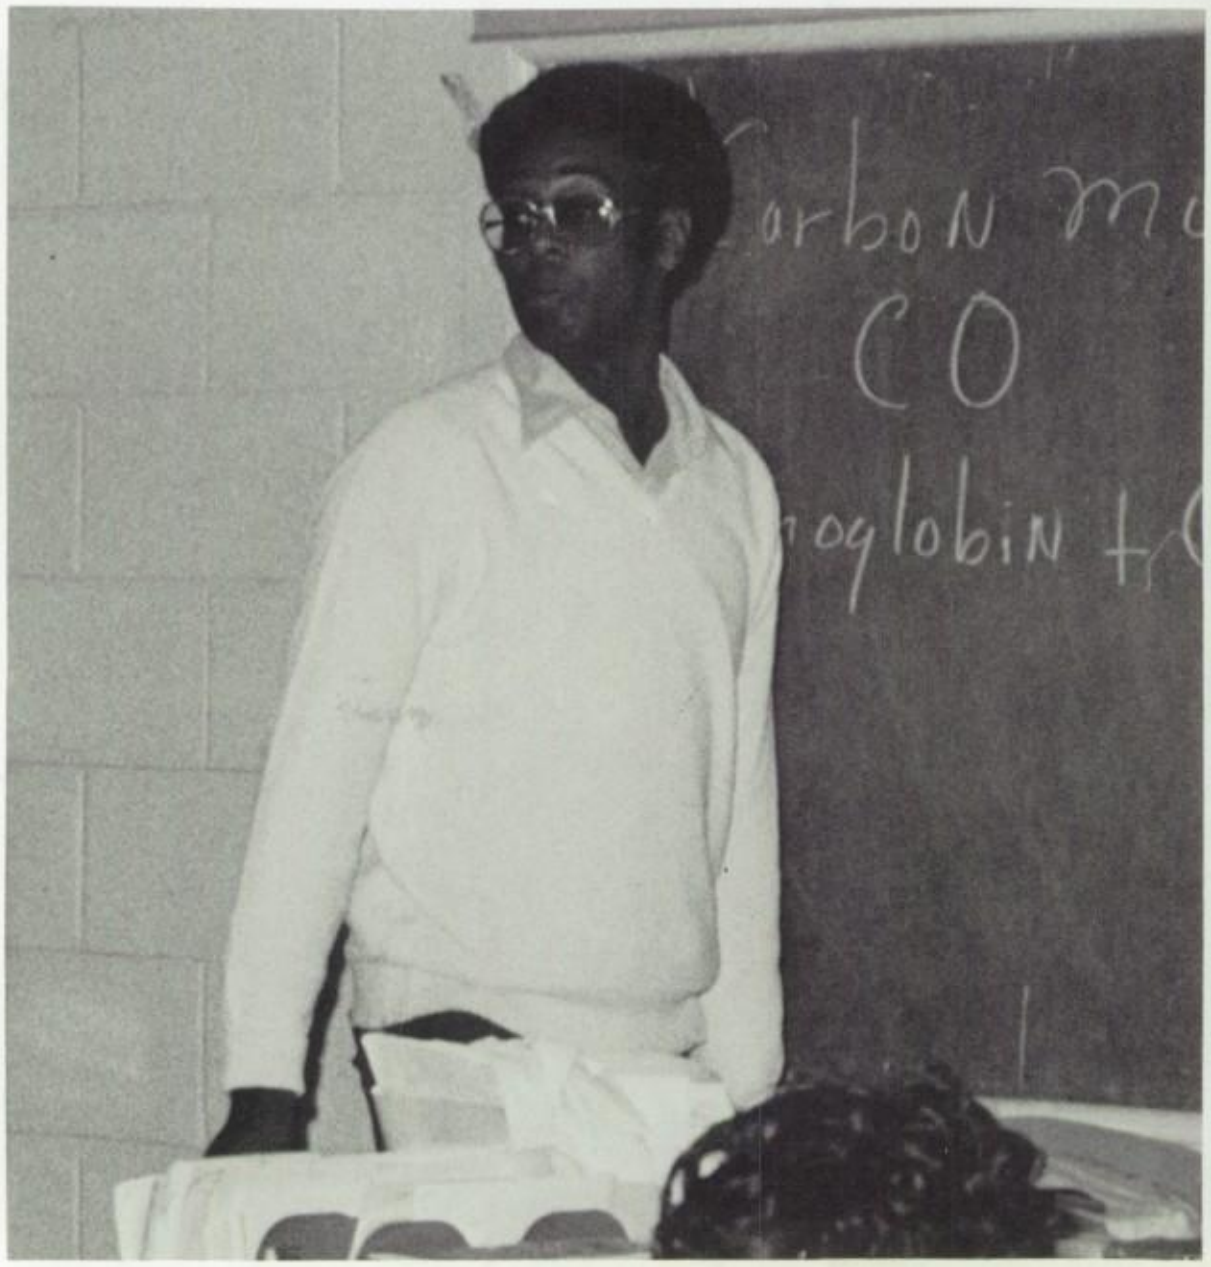
Above: The Senior Student Council representatives are Annette Bowden, Irene Chavis, Susan Crite, Melodye Lane, Martha Overby, Rosalind Robinson, Patty Stewart, Judy Tatum, June Taylor, Judy Westmoreland and Annette Wright. Right: Student Council Officers are Cintonya Allison, President; Regina Ward, Vice-President; Debbie Fox, Secretary; and Rhonda Harrison, Treasurer.

Student Council

The Student Council of Dudley serves the school in a number of ways. They strive to maintain high spirits by promoting good public relations throughout the school year. By spreading these spirits to the students and teachers, the council helps to make school more fun and enjoyable.

During the school year, the Student Council is responsible for holding the elections for Student Council officers, Student Affairs officers, and the Homecoming Queen and her court. The largest event for this year was the "Roger Hickson Benefit Fund" in which over one thousand dollars was raised by the student body. Below the Junior Student Council representatives are shown: Gladys Brown, Barbara Douglas, Cherry Haley, Dawn Kelly, George Kilveros, Annette King, Mike King. Not pictured is Cheryl Vernon.

Above: The Sophomore Student Council representatives are Beth Belk, Angel Brady, Terry Buchannon, Steve Coleman, Saundra Flowers, Diane Ford, Angela Gravely, Reginald Mahatha, Lesia Moss, Beth Reynolds and Tonda Webb. Right: Right: Mr. Surgeon is the advisor for the Student Council.



Octagon Club

The Dudley Octagon Club is a service organization sponsored by the Greensboro Optimist Club. The faculty advisors for this year's club are Mr. Thomas Parks and Mr. Owen Lewis. The officers are: Gary Eubanks, President; Kenneth Foust, Vice-President; Ray Criscoe, Treasurer; Buddy Straughan, Secretary; and Barry Jenkins, Affairs Chairman.

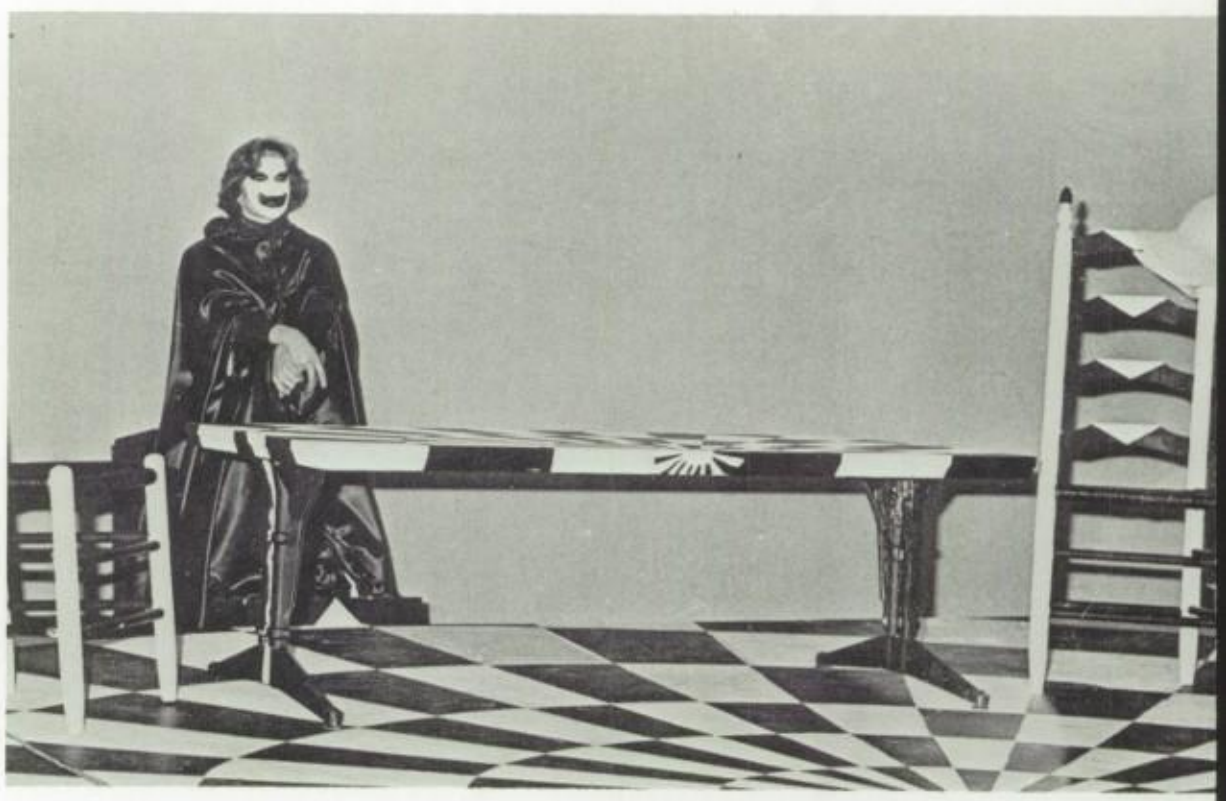
The Octagon Club is involved in doing various service projects for the school, city and community. For Christmas the club made wooden cars for orphans and sold Christmas trees with their parent club. In the Spring they participated in the GYC Teenage Carnival.

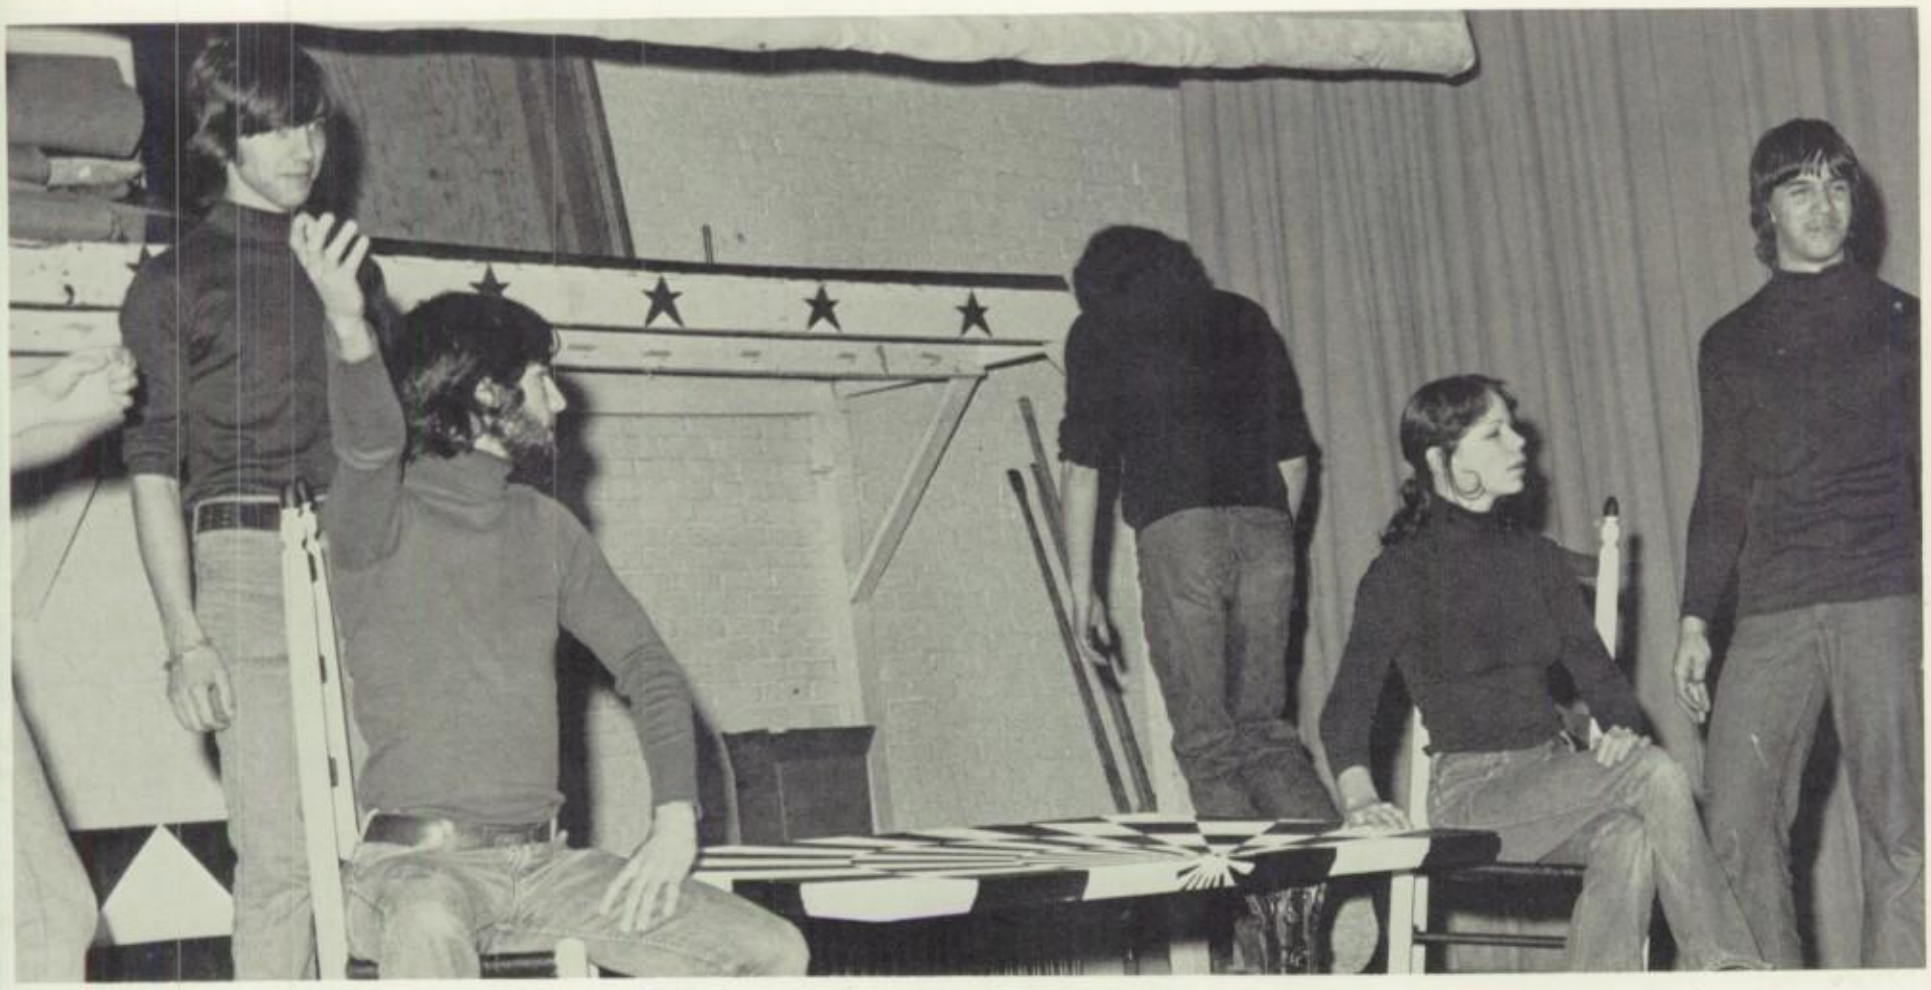
These fund raising projects make it possible for the Octagon Club to be a service organization.

Dreamspinners

The Dreamspinner Touring Repertory Theatre, in their third consecutive year, was faced with a problem. When you are state champs and have won the coveted berth of number one in the Southeast Theatre Conference, what do you do next? Once again, the Dreamspinners, with their usual but unique attitude of enthusiasm, deftly solved this problem.

Godspell went on the road for presentations at six locations. Repeating their achievement of last year, the Dreamspinners received an award for excellence for Aria de Capo and a distinguished award for the performance of Birdbath at the Carolina Dramatic Association. Also awarded to Dudley were best actor, Kevin Killinger; best actress, Angie Lee; and a special award for technical excellence.





The Dreamspinners are (left) Mike Baucom, Tena Bennett, Steve Dishon, Kathleen Kemper, Kelvin Killinger, Angie Lee, Linda Moore, Richard Moore, Marty Pennington, Joyce Pickler, Kelli Ridge, and Joyce Shuping. Not pictured are Chip Atkins, Kathey Bunton, Darryl McDonald, Tee Moore, Star Morgan, Mimi Parsons, Teresa Sauls and Charlotte Simpson.

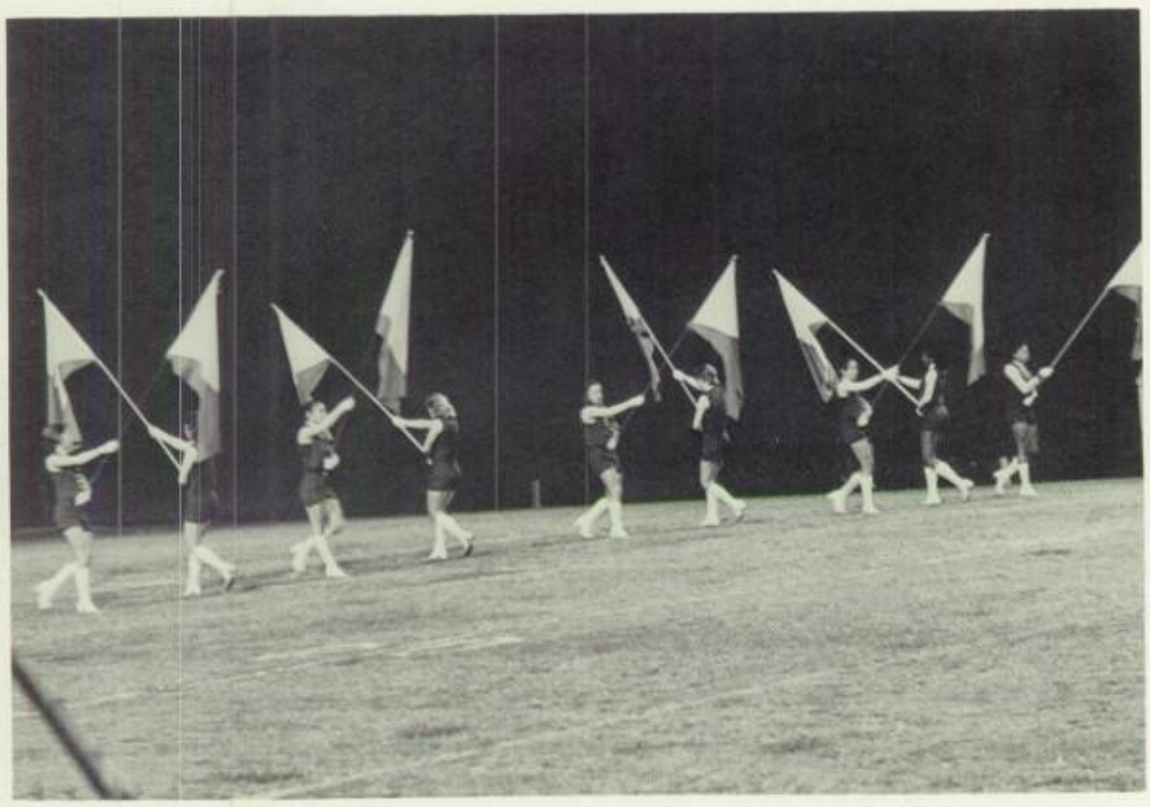
Media Club

One of the best means of developing interest in the school Media Center is the organization and services of the Media Services Club.

Most of the members serve as Media Center Assistants. These students are given the opportunity to participate in varied media services and duties in order that they might develop well-rounded conceptions of media services.

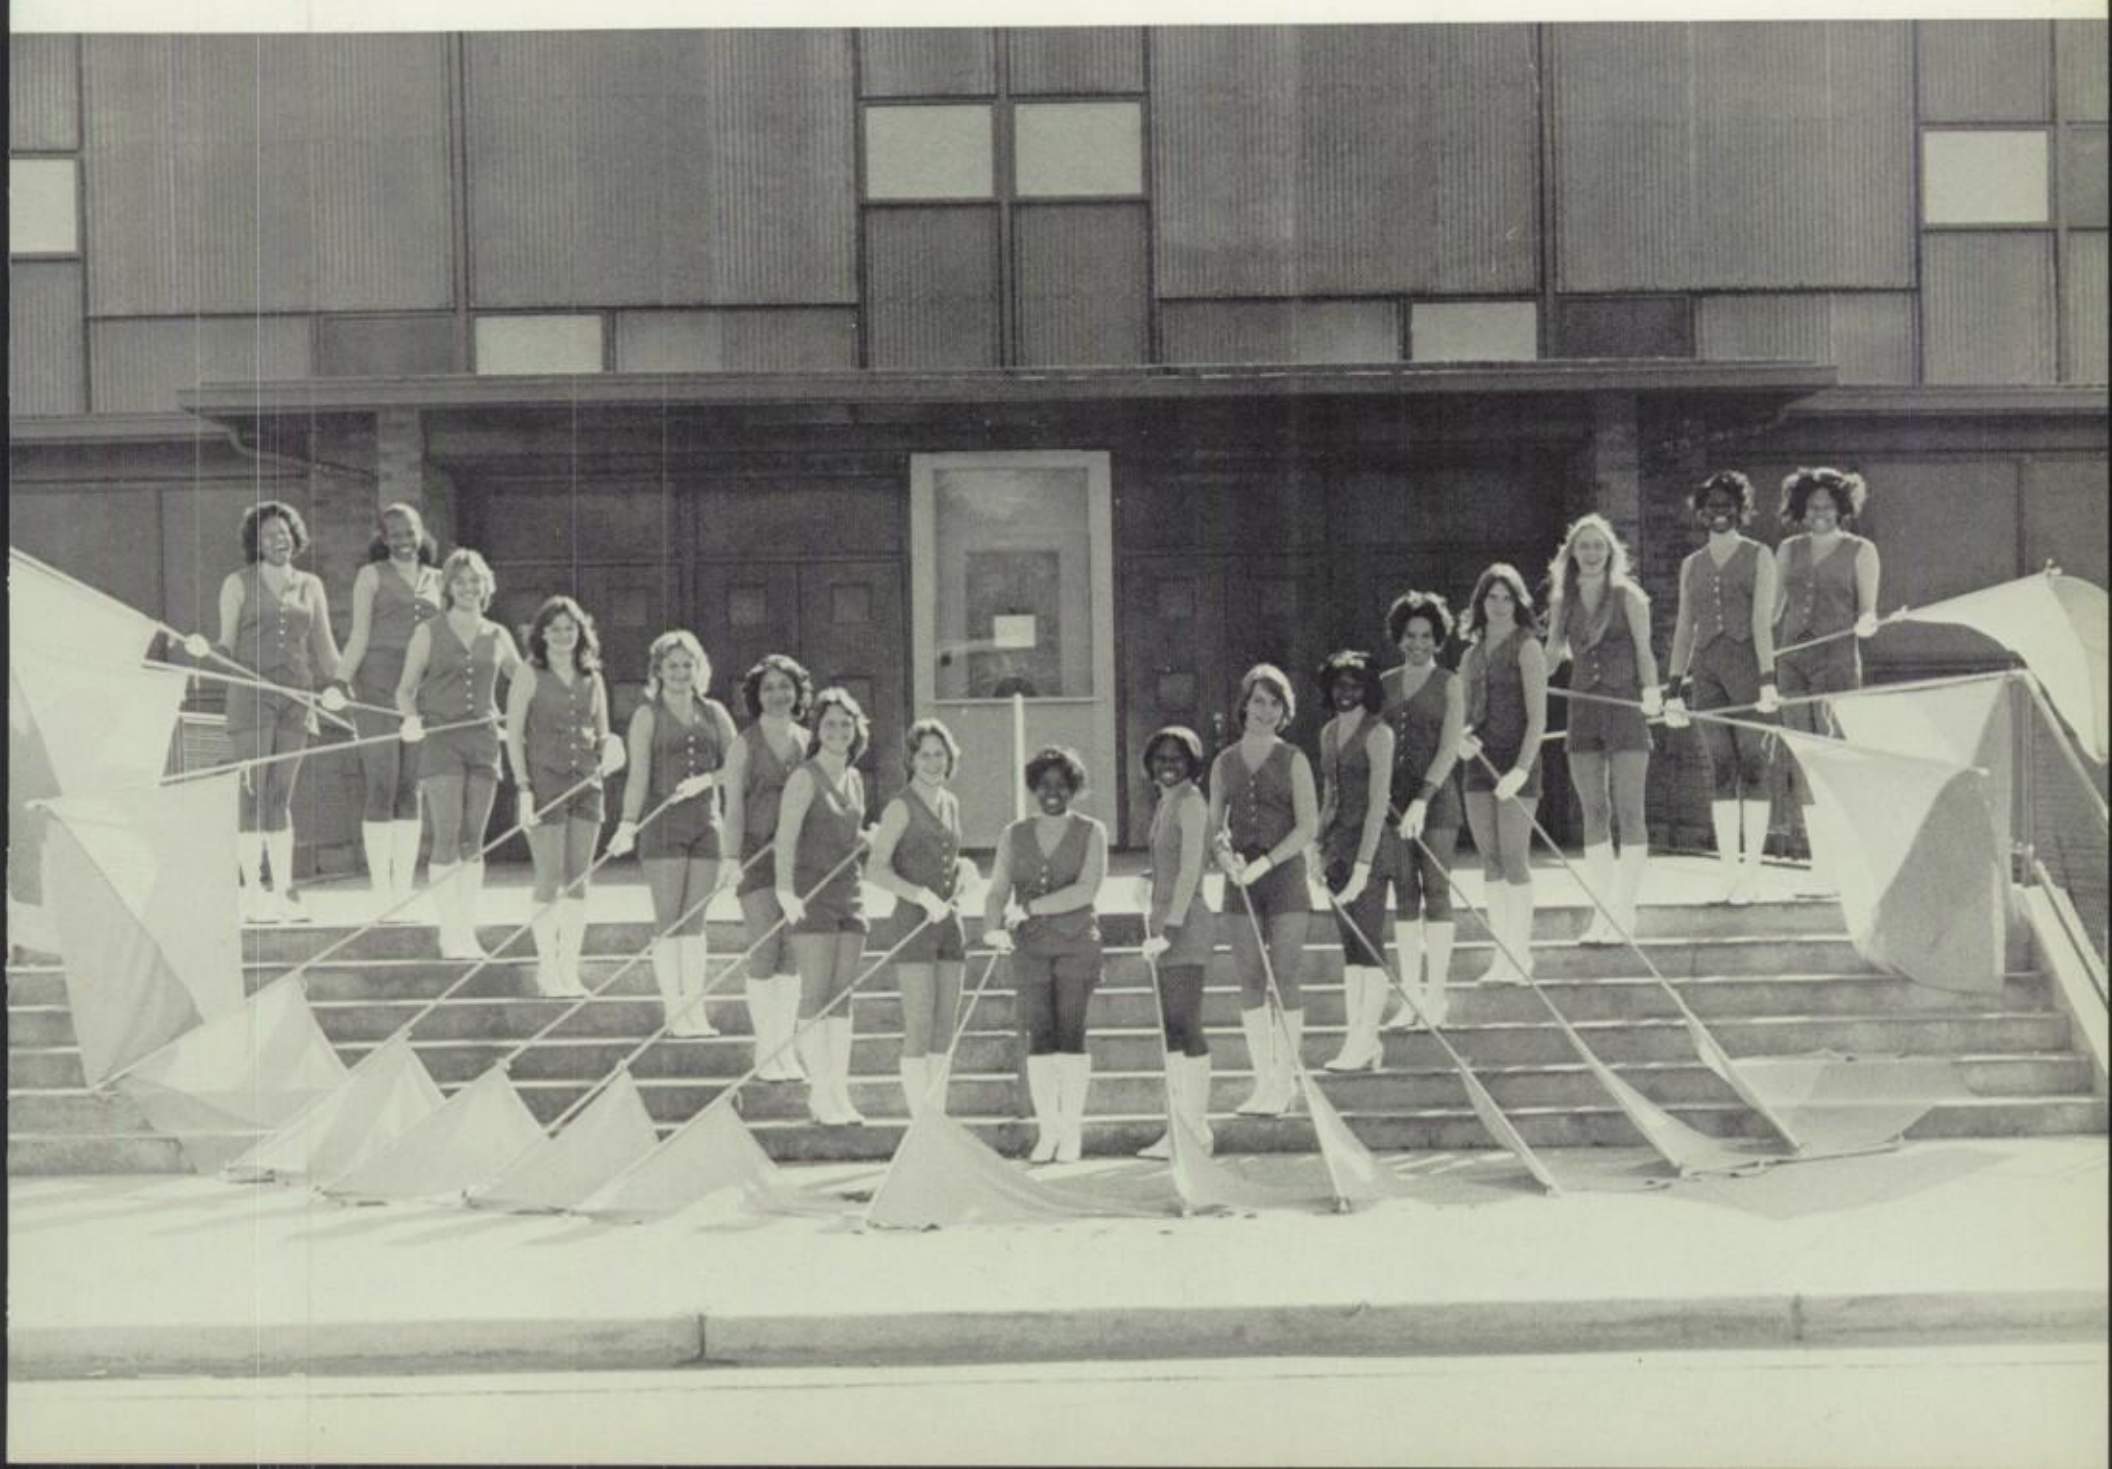
The primary aims of the Media Service Club are to help students gain poise, courtesy, and a sense of responsibility; to provide an opportunity for students to serve the school; to provide an opportunity for students to expand their knowledge; and to provide an opportunity for students to use their special talents.

The Media Club officers are Eclister Williamson, President; Cherry Haley, Vice-President; Wendy Streater, Secretary; Charles Comer, Treasurer. The advisors are Mrs. Battle and Mrs. Bleakley.



Flag Girls

The Flag girls are new at Dudley. They add a new dimension to the performances during half time at games and band exhibitions. They do precision routines as well as marching. They practice many hours after school in order to make their performances the best they can be. Many requirements must be met in order for a girl to become a flag girl. They are under the direction of Miss Georgene Dye.



Bands entertain Dudley students

Dudley's music department is partially composed of three bands: the Percussion Ensemble, directed by Shelton Williams; the Stage Band, led by Clarence Maxwell; and the Concert Band, which is under the direction of James Morgan. The Percussion Ensemble performed at pep rallies, home basketball games and entertained students at the assemblies. The Stage Band performed at the Four Seasons Mall and also provided music for the 1976 Dance-A-Thon. The Concert Band entertained at a number of Dudley's assemblies as well as other outside activities.

The Marching Band is led by Drum Majors, Marilyn Smith and Darryl McDonald (pictured below), who show enthusiasm while leading the Band at the football games.

Dance Group

The Advanced Dance Group is under the direction of Miss Georgene Dye, and only those who have been screened are permitted to take the class.

The Dance Group, chosen from the Advanced Class, tours different places in and around the state. This year the girls performed on WFMY-TV Good Morning Show. They also performed during halftime at home basketball games.

During Easter Vacation the Dance Group traveled to the Bahamas.

Dance Group members are Tanya Bonner, Sonja Boyd, Jhonda Becorest, Inga Brandon, Glayds Brown, Maureen Callahan, Tammy Causey, Lynnie Chandler, Suzette Compton, Dionne Crawford, Susan Crite, Veverly DeBerry, Pam Graham, Benita Haily, Rita Houston, Dawn Kelly, Melodye Lane, Adrienne London, Susan Medders, Teresa Milliken, Rosalind Robinson, Judy Schoolcraft, Bonita Sherrod, Barbara Shields, Carla Summers, June Taylor, Vikki Thompson, Melissa Travis, Talma Troxler, Judy Westmoreland.

National Honor Society

The James B. Dudley chapter of the National Honor Society, sponsored by the National Association of Secondary School Principals, has been a chartered member since 1952. Its purpose is primarily to promote scholarship, character, leadership and service.

Dudley's chapter of the National Honor Society is involved in many projects during the year. Some of these projects are: giving food to a needy family at Thanksgiving and Christmas, decorating the Christmas tree at a nursing home, participating in the Teenage Carnival, and sending delegates to the State Chapter of the National Honor Society Conference. Pictured above are: Pam Graham, President; Tony Causey, Vice-President; Inga Brandon, Secretary; Renee Hilliard, Treasurer; and David Shelton, Parlimentarian. To the right: Mrs. J. Heughan, Advisor.

Latin Club

This year Dudley's Latin Club has become very active, despite its small size. We extend our thanks to our new Latin teacher, Mrs. Cober, who has made all of this possible.

Contrary to popular belief, Latin is not a dead language. This can be proved by observing the activities the Latin Club engages in throughout the year. Such activities include participation in the GYC Halloween Flea Market, GYC Miss Christmas Seal, Easter trip to Italy, Salem College's Language Contest, Lenoir Rhyne's Foreign Language Festival, a visit to Duke University museum, a Roman banquet, celebration of Saturnalia, and membership in the N.C. Jr. Classical League.

Officers are Regina Ward, President; Kathy Burton, Vice-President; Lisa Bubier, Secretary; Debbie Fox, Treasurer; Jerry Albanese, Historian. Members are Mike Best, Mark Walker, Mike Bubier, Wanda Thompson, Bobby Johnson, Dexter Wingfield, Thomas Bowman, Arnold Comer and Chris Johnson.

Cone fabrics have stood for freedom from the start...since 1895, when Americans started living in them.

One of our early offerings was Cone deeptone denim. And we soon became the leading manufacturer of this famous fabric.

Next came corduroy. Once the fabric of kings, it became just as popular among Americans of all ages.

But Cone didn't stop there. In fact, denim and corduroy are just two of the many fabrics that have won acclaim for Cone Mills in its 81 year history.

Today, with 22 modern plants, Cone creates a whole line of quality fabrics for casualwear, sportswear, sleepwear, uniforms and career apparel. Fabrics for home-decorating and home-sewing--even polyurethane foam--are now a part of the Cone family of products.

The almost 14,500 employees of Cone Mills are proud of their part in creating the basic fabrics that are the backbone of American casual fashion...and proud of the freedom each fabric gives you.

I DON'T KNOW WHY OUR TRIBE CAN'T END THIS WAR WITH THE GRUGS. THEY'RE NOT SUCH A BAD BUNCH.
I LIKE THE GRUG TRIBE TOO! BUT THERE'S MORE TO WAR THAN MEETS THE EYE... WATCH IT. HERE THEY COME!
NICE GOING! THEY'RE OUT OF AMMO. DOES THAT MEAN THE WAR'S OVER?
HECK NO! THEY'LL GIVE US 2¢ FOR EACH SPEAR WE RETURN.

A comic strip in your yearbook?

This is our ad.

Maybe it's funny; maybe it's corny.

But at least it's different.

Because we think we're a different kind of Company.

Burlington is Number One in textiles and related products.

And high school graduates are the kind of people we need to keep us on top.

If you're looking for a job, look us up.

If you're going on to college, remember our name.

Burlington.

The company who didn't just say, "Congratulations, Seniors" in your high school yearbook.

Yearbook is no easy job

Many people don't realize how much time and hard work it takes to produce a yearbook. A yearbook isn't just words and pictures combined into a hard cover. Many decisions must be made before the yearbook even begins to take shape. The cover design, paper texture, color of the end sheets, and a variety of other things must be decided on early in the year.

Next, the book itself has to be planned. What will be on page number 1, number 50, number 240? This is just the beginning. Layouts have to be drawn; all the necessary pictures have to be taken, copy must be written and pictures cropped. Advertisements must be sold to help pay for the book, and this isn't an easy job.

Yet, this isn't the end. The staff must be cooperative and meet all the deadlines on time and make sure that the job is well done. After all the deadlines are in, the staff can relax and have the satisfaction of knowing that they have made a worthwhile effort to produce a yearbook that they can be proud of.

Mrs. Johnson is advisor to The Panther.

The Panther Staff has worked very hard to create a yearbook that would capture the many memories of the 1976-1977 school year. The emotions, activities, and memories that were experienced during this past year are now behind us. Yet, with dedication, hard work, creative ideas and determination, the staff has captured many of the good times at Dudley and compiled them in the 1977 Panther.

Many people are responsible for this publication of the Panther. We are very grateful to the following: Mr. Cliff Adams, Mr. Don Bohlen and Colonel Andrew Johnson for their great photography work. Mrs. Ruth Reece and Mr. Dave Callahan for the time that they spent helping to select Outstanding Seniors. Mrs. Radie V. Nettles for her time and effort in soliciting ads and patrons. Members of the D.H.S. faculty for their cooperation when the staff needed to be out of class to meet deadlines. Carolina Camera, School Pictures, advertisers and patrons for their cooperation and support of our endeavor.

Still, there are two very special people without whose help this book would not have been possible. A very special thanks should be given to Mrs. Frances Johnson for her time, advice, patience and devotion to the staff. Also, to Mr. Ed Goldston from Hunter Publishing Company, for the time that he spent in designing the 1977 Panther.

The yearbook staff is very proud to present the 1977 Panther, and we hope that it will be a book that will allow us, in the years to come, to relive the many good times we had at Dudley.

Editor

Since I really don't know you well there's not a whole lot to say, I can say thank you for being nice & pleasant to me. It's a shame I couldn't have known you better but there are always some things in life that have to be given up to make room for others. Take care of yourself and remember that you have something special, that no one else has

Happy Graduation!

(Reserved)

The Sunshine in my life,

a little over three months ago you walked through my door and into my life. Since that day my life has become much more joyful. You've brought more happiness into my life than I ever thought could possibly come. Each day you get more beautiful and our love grows more.

One day your dreams we all come true. With those beautiful eyes, smile, hair and figure you're half way to the modeling top. I know being a model is something you really want to do. If there is anything I can do for you, all you have to do is ask.

While I'm thinking about it; I love you. I really don't know how to describe my love for you. Everytime your smile it's like the sun just came through the clouds. your eyes shine like the brightest of stars. Your hair is prettier than the loveliest autumn leaves. One of the best things is we can always talk. If something comes up we never put it off. I believe I love you even more than I did when I started writing.

I really hope I am as nice to you as you are to me. One day I hope I can really do something nice for you I'm not sure what but I will think of something. Maybe someday you can help me out. You are such a cute little red headed devil.

Best of luck in your Life

Love
